

JOB OPPORTUNITY

Environmental Monitor & Support I

Carmacks, YT; - Part-Time Permanent

Ensero Solutions is an environmental consulting and remediation business with specific expertise in environmental assessments, active/passive water treatment, microbiological testing, and turnkey remediation services for the mining industry and broader industrial sectors. At Ensero, we get the opportunity to make a positive impact on the environment and people's lives. We're building a culture where people can grow their careers and are challenged to solve our client's toughest environmental problems.

About the Role

Reporting to the Environmental Manager, this role is responsible to support environmental data collection at various projects around the Yukon. This data collection will include field sampling and providing support to other environmental technicians and scientists. The role is based in Carmacks and involves field work with travel which brings the remainder of the Ensero team through Carmacks.

Key Responsibilities

- Supports Scientists and Environmental Technicians with remote field sampling and environmental data collection.
- Follow Standard Operating Procedures (SOPs) and Safe Work Procedures (SWPs) to ensure proper field procedures are adhered to.
- Operate snowmobiles, ATVs, and UTVs to travel to remote sites throughout the Yukon.
- Support the team with transportation of tools and equipment.
- Maintaining detailed and exceptional field notes.
- Assist with setting up and operating, inspecting, and maintaining equipment.
- All other related duties as required.

About You

- Strong organizational and problem-solving skills.
- Experience operating snowmobiles, and all-terrain vehicles is an asset.
- Self-motivated and able to work independently or in a team environment.
- Must be able to work in all weather conditions
- Flexible to respond to changing project requirements
- Excellent written and oral communication.

How to Apply

Please send your resume to mstrom@ensero.com to apply.

Ensero Solutions believes in a diverse working environment and a culture where differences are valued.
